## DOUBLE HANDED DIDDLER

**Caprice's new apartment is awesome!** Sure, it's a little light on furniture, but she loves the place. She just moved to Los Angeles from her parent's house in the Mid West, and this is her first apartment. Like many aspiring actress in Southern California, Caprice is on a tight budget. "The first paycheck I get, I'm going to buy a futon!" the buxom brunette says. "I'm still living out of a suitcase and sleeping on the floor!" This desk looks comfy, Caprice…hop up here. "It's a little hard on my ass," she says. Don't worry about that. Rub this glass dildo against your pussy…it'll take your mind off the hardwood. "Mmm…that feels good," she purrs, slipping the bulbous head of the glass dong past her lubed labia lips. "Is this, like, a housewarming gift?" Exactly. It's the gift that keeps on giving, Caprice. Welcome to L.A.

## DOUBLE-CROSSED & DOUBLE-PENETRATED

### The Digital Playground Gals Play Mind Games On The Set Of *Sex & Corruption 2*!

Hey, guys! You know what the biggest sex organ is? No, it's not your cock, silly (though it *does* look pretty big…and yummy!) It's your brain! That's why playing mind games and fucking with people's heads is such a turn-on!

Sex and corruption isn't just something you see in the movies. It's part of our day-to-day lives. It can happen to anyone, anywhere. It happens at the workplace, with ex-boyfriends or girlfriends. It probably has even happened to you, am I right? It's something that is so wrong and yet, at the same time, it's a really big turn on.

Why is that? Is it because you are not supposed to do it, which makes you want to do it more? Forbidden fruit is always so tasty! Or is it the simple fact that you have power over someone because you know his or her secrets?

All photos courtesy of
Digital Playground's
*Sex & Corruption 2*

Think about this: You are controlling someone who has something to hide, or has done something wrong, and they are freaked out that a certain someone will find out. Then you one-up it and take advantage of that person's vulnerabilities, and make this person have sex with you so you won't reveal their dirty secrets! Oh, that's so naughty!

It's a fun game because everyone is in the wrong, yet they're all getting some kind of sexual pleasure out of it. It's not right, but it sure feels good! It might just be me, but I love playing sex games, it makes me so turned on and extra horny. I'm wet just writing this column about it!

I actually shot a movie about mind games and head fucks called *Sex & Corruption 2*. It was so fun—I had amazing sex with Marcus London and Manuel Ferrara!

I must tell you, after making this movie I'm intrigued by the whole power trip of knowing somebody's dark secrets. I want to blackmail someone, make him or her eat my pussy until I cum just to keep me from spilling the beans! Is that bad? Well, if it is, I don't care! I've been told I'm a very bad girl, so I've got to live up to the reputation!

So, dear readers take my bad advice: find out something juicy about someone, something they don't want anyone else to know, and use that secret to your sexual advantage. Check out *Sex & Corruption 2*, then go out and play. You'll not only get off on the game, you'll actually get off!

Enjoy the mind fuck!

# REBECA LINARES

## STUFFED CLAM

**Rebeca Linares loves sex.** She shot two scenes already today: a massive 10-girl orgy this morning, and a threeway with two dudes dressed like pastry chefs this afternoon. Then she came home, showered, and hopped on her husband's dick, riding it to another frantic orgasm. After sex, she showers again and tells her beau she's running to the Quicky Mart for a pack of smokes. But what she really does is run to porn stud Mark Ashley's apartment for a smokin' hot quickie. Mark sticks his dick in Rebeca's mouth, and she works it to maximum rigidity. Then she begs him to stick it in her twat, and Mark obliges, cramming his mighty beef stick into her tight pink slice. She screams, cums again, and squirts a glop of vag sauce all over Mark's balls. Better get home, Rebeca! Her hubby has a question when she walks through the front door. "Where are the smokes?" he asks. Rebeca smiles wickedly, closes the font door behind her, and slips out of her sticky, soiled underwear. The smoke and fire emanate from Rebeca's nether regions, but her fiancée's got the tool needed to douse her flame. Ready for round two, dude? Good. Hope you enjoy the taste of fresh creampie.

INTERVIEW WITH A PORN STAR

JAYDEN JAYMES

# FINE-ASSED UPSTART EMERGES FROM THE WEB TO TAKE XXX BY STORM!

*Interview by Rob Perez*

**PORN VALLEY, CA—If you haven't heard the name Jayden Jaymes yet, you will. Sneaking into the business originally as a web model, Jayden has quickly risen through the ranks to emerge as one of the top adult performers working today. She could've been a superstar from the start but that usually leads to quick burnout and fading popularity real fast. Instead, Jayden chose to earn her superstar status, appearing on countless boxcovers that have become top sellers. For her efforts, Elegant Angel devoted an entire film just to her, *Jayden Jaymes Unleashed*. Plus, being one of the hottest looking girls in porn doesn't hurt in achieving star status. Her fans are fascinated with her 5'8 frame, long brunette hair, sexy brown eyes, and incredibly stacked body. Jayden's big juicy butt is the envy of many black and Latina performers. Part of her fame and mystique comes from the fact that she rarely does interviews, but of course, she spoke with CHERI Magazine, where all the porn stars come to play!**

**What is your favorite body part? If there's anything you could change about your body what would it be?**

I love my body in general. I love that I'm tall (I'm 5'8") and I love that I'm curvy, and I especially love that all of my mixed martial arts training has kept my body toned. I've always considered myself to have a real woman's body. I feel great naked and that's more than a lot of women can say about themselves. But, I do have an issue with my teeth. I'm so bummed that my parents never put braces on me as a kid. They're not horrible, but they could use a little work. One of these days, when I'm willing to endure the pain, I'll have cosmetic work done on my mouth, but I'm fine with it for now.

**I heard you had a tattoo fetish. Can you tell me why tattoos turn you on?**

I actually have two enormous fetishes when it comes to men: tattoos and hair! I don't know what it is about a man covered in tattoos but it turns me on! A few random tattoos looks dorky, but a body covered in custom artwork is incredibly attractive to me. It makes me want to get him naked and go on a little tattoo safari to discover each and every detail, all the while kissing and nibbling them. As for the hair fetish...I just love when a man has a great head of hair. Hair on the body is really disgusting to me, but if he has a big curly 'fro going on, I want to run my fingers through it and pull his head down between my legs. I can't help it!

**Before porn were you very sexually active?**

I was sexually active before I got into the business, but I definitely wasn't promiscuous. I dated and I had my share of fun, but I was no sex-expert when I got into porn.

**What's your least favorite thing to do during sex?**

I don't think that there is any sexual activity that I dislike doing. I love sex and I think people are crazy if they don't love every

29589

single bit of it. But I can say that I hate doing the same thing over and over, like when a guy is only into one particular position and doesn't want to switch it up, or when he's lazy and I have to do all the work, or when he's wants to be dominant and do all the work, things like that. Sex is passionate and intense and it should always be that way, that's what keeps it exciting.

**Is it true you never liked doing BJs before porn? Do you like giving head now? Why didn't you like giving head before?**

I hated sucking dick before I got into the business and even for the first few scenes I did, and I believe that was due to the fact that I didn't know how to do it. I didn't get any pleasure from it and I thought it was just weird. It wasn't until I worked alongside a few girls that knew what they were doing and picked up a few tips that I learned to love it. Now I can't do it enough! When I'm with a guy, I'm quick to rip his pants off and get busy. It turns me on knowing that he's turned on and I've got complete control over him.

**You're primarily known for gonzo, wall-to-wall sex films. Do you plan on doing any feature work? Is that something you're interested in doing, porn films with acting?**

I think that people both inside and outside of the industry sort of put feature films up on a pedestal. I personally don't get it. I know that there's a particular level of fantasy that we as performers are supposed to live out for the consumers, but the cheesy story lines and horrible acting don't personally do it for me. Porn is about

*I hated sucking dick before I got into the business...now, I can't get enough!*

the sex. I love gonzo work because it gives me the opportunity to use my sexuality to tease the viewer (whether in costume, bikini, lingerie, etc.), get him/her worked up a little, then blow them away with the sex. No corny acting necessary. On a personal note, before I ever got into the business and I watched porn, I'd fast-forward though all that acting stuff. Just not my cup of tea.

**Without naming names, have you run into a lot of girls who are real bitches that you had to work with? Are there girls that you truly do not like and get along with?**

To be completely honest, I've never had to work with a girl that was a complete nightmare. I've heard horror stories about girls and I've even had bad (re: 'bitchy') days on set myself. I'm sure people have stories about me, but that's exactly why I'm not quick to judge either. Everyone has bad days. There are girls that I don't like or get along with, but this is work, and I remain as professional about it as I can.

**Any performers that you are tight with? What sort of stuff do you do when you get together off set?**

Most people think that this sounds really snooty of me, but I like to keep work separate from my personal life. I've just found that mixing work and friends usually ends in disaster, so I try to avoid it.

**Do you love attention? Do you love it when guys are checking you out?**

I hate attention, actually. I have severe social anxiety and I don't like being the center of attention. It freaks me out. I guess it's

# JAYDEN JAYMES

flattering to be stared at or hit on, but I really don't like it. I like to be low key and just sort of blend in.

**How would you describe the real you? When you're not Jayden Jaymes the porn star, what things do you like to do that are not porn related at all?**

I am definitely not 'Jayden Jaymes' all the time. Jayden is loud, flirty, commands attention and just plain screams SEX. Well, I guess I'm still all of that, just add in the fact that I'm kind of a big dork. I'm the kind of girl that likes to embarrass the people I'm with. I'm the one in the corner store with my girlfriends yelling, "Hey! Do you still need that yeast infection cream and those super jumbo maxi pads?" over the aisles. I'm a big kid. I like to have fun, and I don't care what people think.

**What's the wildest sex story you can share with the fans? A sex story that happened outside of porn.**

This is hard because I don't know what most people consider "wild". What somebody might find "crazy", I might call a Tuesday night! Hmm…Well, a fun story would be that I was in Vegas with a few friends of mine, and it just so happened that my main man was out there for work at the same time. I went out and had some drinks with my friends, then met my guy back at my suite. We had sex all over the place, I wore him out, and we passed out. My girlfriend got back to the suite at around 4am and, knowing she was ready for some action and he had never had a threesome, I pulled the sheets off of him and she started blowing him. He just looked at me like, "Wow. Is this OK? You're really cool with this?" It was so cute! The three of us ended up in a hot threesome. And he did pretty good for his first time. He's still in my life...I think he loves that I'm so open sexually!

**Why did you get into porn?**

Porn was a choice I made for myself for the experience, not because I had to, like the general public thinks. I graduated with honors at the top of my class and wanted to take a year off from school before I went to college (I wanted to be a lawyer). I got a job selling personal and commercial insurance policies and, frankly, I was miserable after a few months. I couldn't stand sitting behind a desk, answering to others. I just up and quit one day. Just walked out. I decided to take the nontraditional path and check out a local strip club just for the excitement and experience and I loved it! After a few months of that, during a casual conversation with another dancer, I mentioned that porn would be fun because it seemed so glamorous. She just so happened to know a director, so she introduced us that weekend, and he in turn introduced me to an agent. I had a blood panel done the next day and shot my first scene two days later.

*The idea of a gang-bang really turns me on. I'd love to do one in the near future.*

JAYDEN JAYMES

**What's the best and worst thing about being a porn star?**

I think the best part is that I've been lucky enough to be able to pay the bills doing something I love. Too many people wake up in the morning and dread going to work. I love it. I make money, and lots of it, doing what people do so casually on a daily basis anyway. The down side to what I do...I think I resent the fact that I have to constantly prove that I'm not a sad statistic. I'm drug free, I'm STD free, I have quite a bit of money in my savings account, I have a business degree, and I have the love and support of an amazing family.

**Where would you rate yourself, looks and body wise, on a scale of one to ten?**

Oh, no! I don't like this question. It's one of those that's hard to answer without being judged for the answer. I think I'd put myself at a 6.5 or 7. I'm not perfect, so I'm definitely not a 10. I'm guessing a 5 would be 'average' and I'm not going to put myself far above average.

*There's only one girl on my 'to-do' list—Belladonna.*

**Can we expect to see you doing more anal sex scenes? Are you personally a fan of anal?**

I hope to be able to put out more anal scenes. I've only done four and they were all for Elegant Angel. I took a little break from performing after I shot those and when I came back I attempted to shoot two different anal scenes (one for Brazzers and one for Jules Jordan) and I couldn't get through either of them. It was too uncomfortable. I like anal sex, but it's different in porn. First, the men are much more endowed than any man in my life. In addition, in porn, they want anywhere from 20 to 35 straight minutes of anal sex. That's a lot! I'm the kind of person that likes it in the heat of the moment when I really crave it, and even then it's usually only in there for just a few minutes. I guess I need my number one man to step it up a bit and break me in before I attempt to shoot anal again. But I would definitely like to do more.

**What was your first anal experience like?**

The first time I had anal sex was with an ex of mine. We had dated for just under a year, and I had never let him do it. But, after we split, we would go through our little spurts of casual sex. So, I was having dinner with Phoenix Marie one night, got caught up in girl talk over a couple cocktails, and he randomly sent me a text message. Apparently the drinks made me horny because I told him I'd come over in a couple hours. We finished dinner, I went home to freshen up a bit and just had the urge to give it a try that night. I did a quick enema, put a butt plug in and headed to his place. He was really turned on at the site of the toy and, after some vaginal sex, he pulled the toy out and worked his penis in. It was uncomfortable, but at the same time it was an incredible feeling.

**Ever do a gang-bang on or off camera? Would you like to?**

I have never done a gang-bang before. I used to think that it was really slutty when girls did it, but now that I'm maturing as a performer and as a woman and I'm coming to accept my own sexuality and animalistic desires, the idea of a gang-bang really turns me on. I'd love to do one in the near future.

**Describe the hottest scene you've ever been involved in.**

I was involved in this lesbian orgy for Zero Tolerance and Courtney Cummz happened to be in the scene. I've always thought she was hot, so when the director was grouping up some of the girls for additional shots, I asked if I could have a go with her and I got it. I still have a huge lesbian crush on her.

**What girls in the business would you most like to have sex with and why?**

There's only one girl on my 'to-do' list—Belladonna. She is so naturally beautiful and simply oozes sex appeal and that is such a turn on.

**Are you a true bi-sexual or do you prefer one more than the other?**
I absolutely love women. But I don't like to have sex with a woman unless she actually is into women herself. It's fake. It makes for a horrible session. I like hot, intense, passionate sex with a woman. She has to be into it for me to be into it. But I have to say that I'm into men more. I've dated women, and I just rather date men and invite the girls in for fun occasionally.

**What kind of girls are you into?**
I like girls like me. I like tall, curvy brunettes. But I'm also big on personality. I like anyone who can make me laugh. And I don't like shy girls. I like when she's comfortable enough with her sexuality to just come at me. I don't want to feel like the dude and do all the work.

**When you danced, did you ever hook up with guys you met at the strip club?**
Never. I never hooked up with any of my so-called customers. I've never been into the idea of prostitution, escorting, hooking, or whatever other word you want to call it. I learned to control a man with sexuality, but not actual sex. I know, I know, weird coming from a girl that does porn for a living. But, the way I look at it, the porn industry is a business of making films, and that's what I do. The escorting business is a simple money-for-sex transaction, and I'm just not into it.

**Which of your movies are you most proud of?**
I am most proud of *Jayden Jaymes Unleashed* by Elegant Angel. Director William H. and I put so much into that movie. It's five scenes with me in every one, and also includes Tori Black, Phoenix Marie and Bobby Star, along with five different male performers. The movie includes an interracial scene, which was my first in almost three years, and three anal scenes, one of those with an anal internal pop. I am absolutely honored that Elegant Angel had faith in me and my potential sales to do the movie.

**What does the future hold for you?**
Oh, man, who knows? I'm still moderately young and I have some time before I have to figure that out. For now, the adult industry is treating me well. I have a successful network of websites, we've just signed a deal with Exquisite for our DVD distribution, I have my own toy line with Topco.

*I thoroughly enjoy watching my guy fuck another girl.*

I'd say business is great! I think that the adult film industry is going to be a part of my life for a long time to come, but that doesn't mean that I won't tap into other projects to keep myself busy and keep the money flowing.

**Do you have a website, Twitter or any place where your fans can reach and interact with you?**
My website links to my official blog and even a chat forum that I visit almost daily. I'm always interacting with the fans. After all, they're the reason I'm where I'm at today!

**Anything you'd like to say in closing to the CHERI readers?**
Thanks for supporting me, for buying my movies, watching my scenes, and keeping me in business! Oh, and keep off those free porn sites! They're killing us! Thanks for all the love!

# LUX CASSIDEY & RANDI WRIGHT

KISS ME, I'M BI-SEXUAL

**Lux is a naughty girl.** She lied to her boyfriend about where she was spending the night. She told him she had to work late, and was staying at a co-worker's apartment. Then Lux lied to her friend, Randi, told her she had an extra ticket to the Dodgers game tonight and would pick her up at six. Lux doesn't tell the truth until Randi is in the passenger seat of her car. "I'm kidnapping you for the night," Lux tells the slender brunette. "I have a room reserved at that fancy hotel across town. I'm going to undress you, spread you out on that big bed, on those soft, satin sheets, and lick your naked body from head to toe. It'll take all night, but you can leave in the morning." After a moment's consideration, Randi takes Lux's hand and slides it inside her checkerboard short shorts. Lux can feel her wet pubes. "It's not a kidnapping if I go willingly," Randi says. Looks like you won't be catching any foul balls tonight, Randi…but you'll be spending time in Lux's nappy dugout!

## Jenna Haze celebrates silicone in *Breast In Class #2: Counterfeit Racks*

By Kotch Johnson

If you've learned anything by reading CHERI magazine over the past 35 years, you know we love two things in this world: natural breasts and Jenna Haze. Like two great tastes that taste great together, Jenna Haze and natural jugs are porn's equivalent to peas and carrots—they just go together. So you can imagine our surprise when actor/director Jenna approached us about a new movie that pays tribute to (gasp!) "enhanced cleavage." At first we must admit we were skeptical, until we saw the cast list loaded with today's hottest porn superstars—Asa Akira, Kagney Linn Karter, Kirsten Price, Katsuni, and even Jenna Haze herself to keep the natural element in check! How do all those silicone jugs look in action? Well, pitch a tent in your pants, and take a look for yourself, as we go On the Set of *Breast in Class #2: Counterfeit Racks*.

## Asa Akira

After taking the porn world by storm last year, Asa shows no signs of slowing down in 2011. This overly-energized Asian slut makes no secret of her hankering for a double dose of dick, so out cum Mr. Pete and Erik Everhard right on queue to offer Asa the double penetration her libido so desperately desires! The fellas immediately get on each side of the lovely Miss Akira and start kissing and groping her body, grabbing handfuls of her hooters in the process. It doesn't take long before Erik goes muff diving, and he can't help himself from adding in a tongue lick or two to Asa's asshole while he's in the area. Then come the cocks, thrusting towards her open mouth in rapid-fire succession and poking the back of her throat as Asa makes creepy hot gargling noises while receiving an intense skull fucking complete with watering eyes and runny mascara! After everyone's had enough of the face fucking fiesta, the boys pound her cookie with their peckers, teasing Asa's ass until finally Mr. Pete delivers a diabolic cowgirl anal, which quickly degrades into an anal pile driver that sends Asa screaming and nearly hyperventilating in ecstasy. After nearly 45 minutes of pussy pounding and ass tasting, the fellas make a cummy disgrace out of Asa's face!

## Jenna Haze & Kirsten Price

Jenna steps out from behind the camera for a hot lesbo tryst with Kirsten Price, the one-time Wicked contract starlet who's enjoying her first taste of porn free agency – not to mention her first taste of Jenna's pussy! The girls barely even kiss before Jenna works Kirsten's bikini bottoms off and face dives into her clit, Kirsten arching her back with a kitten's purr while pulling Jenna's head in tighter. Then it's Kirsten's chance to get her partner off and she wastes no time pleasuring Jenna's pussy with her fingers and face. Both girls smile with slicked lips full of frothy pussy juice, and Jenna reaches for some toys to take things

to the next level. Kirsten doesn't normally do anal, but she sure didn't stop Jenna from cramming a glass butt-plug up her ass! After an intense anal drilling session into the deepest, darkest corners of Kirsten's keister-hole, the ladies work in some sexy pussy on pussy donut-bumping too before licking each other's goo-filled fingers and calling it a day.

## Kagney Linn Karter

One of porn's hottest starlets, Kagney Linn Karter is a big-titted blonde with a smooth pussy and a firm little ass. Mick Blue sticks his dick in whatever he likes, and by the looks of things he clearly likes Kagney! He gets behind her and gets a firm grip on her flesh cannons, massaging those nice big boobies and sucking on them until her rack fills-up Mick's mouth. The action then moves down as Kagney drops to her knees and engulfs Mick's dick with her mouth, swallowing his rod as Mick thrusts his pecker in and out of her gullet in hands-free, Bluetooth fashion. After getting his prick slicked with Kagney's spit, Mick drops in to face-dive Kagney's asshole before titty fucking her huge hooters. A quick spin in reverse cowgirl gets Kagney ready for a strong doggie-style finish, and Mick pulls out just in time to blast his wad in Kagney's cum-starved mouth. The scene ends with a jizz river running down the side of her chin, and Kagney nonchalantly reaching for a roll of paper towels—always the consummate professional!

## Lisa Ann

There's something for everyone to enjoy when Super-MILF Lisa Ann shows up for her fuckin'. Her gigantic, juicy tits have achieved almost legendary status in porn lure, bouncing, sweating and cum-drenched for what seems like decades now. Her elastic, ungapable asshole always snaps back into position like a fresh rubber band, no matter how big the cock that enters it. And to that point, Lisa's craving for chocolate tube snake makes her an interracial favorite. So what's not to like in a dirty, no-holds-barred MILF who has the body and recklessness of a teen tramp? Don't ask Prince Yahshua, who's having too much fun shoving his big black cock between Lisa Ann's melons, and in and out of her asshole. He bends Lisa Ann over doggie and bangs on her backdoor as those massive melons sway to the beat of Prince's ass-thumping meat. After straightening out her old body, Prince rams her in traditional missionary before hosing down her Himalayan-sized hooters in cum!

## Chanel Preston

Chanel's name has recently been rumored in the upcoming Performer of the Year discussions after a string of sizzling, sleazy new movies. This long-legged brunette is usually game for just about anything, including double teams and asshole reamings. That's good news for Mick Blue and James Deen, who have each made a

career out of defiling the butt-holes of young, eager porn stars. Chanel wastes no time shoving a cock into her mouth as her lanky body flips into doggie position almost involuntarily, engulfing Mick's dick in her mouth while James dives into her ass and starts eating like he's at a five-star buffet, all the while jerking himself off. Before we know it she's sucking both their cocks in tandem, and her mouth gets face fucked like a backroom glory hole. Next up is Chanel's amazing pussy and asshole, which proceed to get pulverized in spoon and doggie until the fellas just can't decide which hole to fuck anymore—so they glaze her face with man-milk and call it quits!

## Jenna Haze & Katsumi

For the last scene Jenna Haze once again steps out from behind the camera, this time to pair up with Asian superslut Katsuni, who's done up in some kinky black latex. It's Katsuni who takes charge, with Jenna taking on the submissive role of a willing sex slave. Katsuni buries her tits in Jenna's face before the two hotties head to the bedroom where Manuel Ferrera is waiting—with his big French cock! The girls sample his sausage with their mouths before Katsuni hops aboard for a cowgirl ride with Jenna's face right in the middle of things, trying to lick her some Asian ass while Manuel is pounding Katsuni's cooze. Jenna gets to have her pussy tested by Manuel's big dick a few times as well, and Manny does a good job swapping his cock between both bimbos while they play with each other. The girls redefine the meaning of teamwork when Katsuni jerks Manny's meat sauce into Jenna's mouth, who can't help herself from swallowing some before spitting up the wad and smearing all over Katsuni's tits—oops!

# KAYDEN

## SIGN OF THE KROSS

29789

**Kayden Kross is crossing over. No, she's not dying and transitioning to another plain of existence. She's crossing over into mainstream media.** Kayden has been one of the hardest working women in porn since entering the adult industry in 2006. Now, a mere five years later, Kayden has practically outgrown the industry. She's a regular on G4's *Attack of the Show*, has a recurring role as Delillah in Cinemax's *Life On Top*, and regularly contributes columns and articles to publications both inside and outside of the adult industry. Damn, she's a busy girl! When does she find time to fuck? "I make time to fuck every day, just like I make time to work out, and meditate," Kayden says. "You have to make time for what's important, and sex is still at the top of my list!" Ours, too, Kayden! Hey, do you mind if we jerk off in your bathroom?

# ALISYA GAPES

## STRETCHING HERSELF SIN

**The wine loosens Alisya's tongue…and lowers her inhibitions.** "I'm telling you…no man can get me off better than my dildos and vibes," she says, offering her husband Frank and his pal Tommy a sad smile. "Sorry, Frank. You make me cum pretty hard, but not as hard as I can make myself cum." Frank's flustered. "Well, maybe you need more cock. Tommy can join us…he's got a big pecker. Show her, Tom." Both men disrobe while Alisya pours herself another glass. A few slips later she's stretching her ass to accommodate Tommy's tool while Frank fucks her face. She cums three times, then spits Frank's cock out. "Damn, I still need more! Frank, be a darling and bring me the toys in my nightstand." Frank leaves, returning a moment later with an armful of dildos and vibrators. Alisya plugs one into a nearby outlet, never breaking the ass-tastic rhythm of Tommy's anal plundering. "Okay! Let's get this party started!" she says. "Either of you guys ever take a dildo up the ass before?" Frank and Tommy look at each other, one blushing, the other going pale. It's going to be an interesting evening…

You'd also expect Beach Girls to feature bikini-clad dancers. Wrong again. These girls are all nude, baby! This place is like the world's greatest nude beach—all hot naked girls and no wrinkly old fucks, fatties, or sand in your crack!

The club features 10-20 girls nightly, two stages, and two private dance rooms. Short on cash? Beach Girls has an ATM on site, and also accepts most major credit cards. Bring your own beer (no hard liquor) or buy a brew from the Beach Girls barmaids. Coolers are welcome—they'll even give you a bucket of ice! (But they won't pour it down your pants to cool off your smokin' hot 'nads. You're on your own there, buddy.)

## STAR TREK: THE NEXT GENERATION—A XXX PARODY ⚡⚡⚡⚡⚡

**(New Sensations) Starring: Dana DeArmond, Kimberly Kane, Bobbi Starr, April O'Neil, India Summer.**

Sam Hain has directed two of the best special effects driven parodies in recent years—*The Sex Files Parts 1* and *2*—and his unique take on sci-fi porn carries over into *Star Trek: The Next Generation—A XXX Parody*. This is the best sci-fi porn film of the year, an intelligent, fast-moving plot that is worthy of inclusion in *The Next Generation* mythos, combined with *TNG* look-a-likes in nasty sexual situations. It's a geek's wet dream cum true! Didn't watch *Star Trek: The Next Generation*? No worries, you'll still enjoy the futuristic set pieces and raunchy fucking included in this clever parody. Plus, any movie featuring April O'Neil's magnificent melons is a masterpiece of cinema as far as we're concerned! Hot sci-fi sex—is that a black hole in your panties, or are you just glad to see us?

## ASSASSINS

(Digital Playground) **Starring: Bibi Jones, Jesse Jane, Jynx Maze, Riley Steele.**

With a cast the includes our very own Jesse Jane and new Digital Playground contract babe Bibi Jones, you'll have a great time jerking off to this flick. With lots of sex, laughs, and Bibi's and Riley Steele's clothes practically falling off between sex scenes, you'll have loads of fun with this new adventure caper. Bibi and Jesse are the world's hottest assassins, who must work together despite the fact they don't like each other. The girls eventually lick-and-make-up before taking down a drug cartel. The girls use their assets to get their men to give them cock. *Assassins* is pretty softcore so it's safe to show the wife. Afterwards you'll be imagining your old lady is 19-year-old Bibi, who sizzles and is impressive in her DP debut. And, of course, Jesse Jane always leaves us with a bulge in our pants.

## PARTY GIRLS ⚡⚡⚡⚡

(Elegant Angel) **Starring: Jayden Jaymes, Jenna Presley, Kristina Rose, Asa Akira, Gracie Glam, Jessie Andrews.**

Jayden Jaymes (interviewed earlier in this issue of CHERI) continues her rise to the top with Elegant Angel's *Party Girls*, an outstanding bump-and-grind flick with a cast of real-life party girls. These are exactly the type of women you want to bring home from the club (unless your wife's home...then you bring her to a motel.) Jayden Jaymes and Jenna Presley double team hotel waiter Manuel Ferrara, but all they want for room service is his cock. He earns a nice tip after dumping his load on Jayden and Jenna, making them glisten. Thank you, cum again! Jessie Andrews and Asa Akira get to know each other while making out in the VIP room. Then they get a room and have their own pussy eating afterparty. Kristina Rose is dancing up a storm, shaking her big Latina moneymaker. Mick Blue wants to tap that, and Kristina rides every inch of his Euro cock. Another outstanding feature from William H. There'll be a party in your pants after you check out this flick!

## BOOBWATCH

(Wicked Pictures) **Starring: Carolyn Reese, Lisa Ann, Rebeca Linares, Alektra Blue, Jayden Jaymes.**

*Boobwatch* is Wicked's take on campy TV favorite, *Baywatch*, only this version is much hotter and intentionally funny. Alektra Blue is the "head" lifeguard, patrolling the beach to protect beachgoers from the dangers of the water, backyard BBQs, private pools and a home gym. Who knew lifeguards needed such specialized training? When Danny Mountain burns his weenies on the BBQ in front of Rebeca Linares, Alektra runs over (in delicious slow motion, of course) to put the fire out. Alektra and Rebeca then wrap their hungry mouths around Danny's fleshy footlong. Damn, these girls are starving! Jayden Jaymes is there to help Tommy Gunn after he accidentally swallows a fly and starts to choke. She expertly applies mouth-to-mouth then mouth-to-penis resuscitation. Lisa Ann and her inflatable devices come into service to save Rocco Reed. Alektra comes back to take care of trespasser Chris Johnson who tries to sneak into a home pool while no lifeguard is on duty. Who knew working the beach with Alektra would be such a blast? Hey Alektra, can you point us toward the man in the boat?

## LIL GAPING LESBIANS 4

(Evil Angel) **Starring: Monica, Aspen, Lina, Cristal May, Anita Hengher, Bella Russa, Mandy Dee, Kiera King, Chastity Lynn, Logan.**

Avant-garde porn director Jay Sin takes his gapes seriously. In Sin's eyes, an ass isn't really an ass until it's stretched out of its traditional ass-like shape. In *Lil Gaping Lesbians 4*, Sin enlists 10 young starlets to submit to his anal probing, which include toys, tongues, fingers, and anything else that's within easy reach. For us, the gapes become distracting, and the film stops being about sexuality and turns into a body modification contest ("I can open wider than you!" "No you can't! I'll stretch wider than *you*!") Mainstream fans may find it all too intense, but gape freaks will freak. *Lil Gaping Lesbians 4* is much harder and extreme than previous versions. It follows the fun and sweetness of girl-girl teen porn with the perversity of anal toys and never-ending rim jobs. Standout scenes include Kiera King and Chastity Lynn enjoying a lesbian romp. Mandy Dee disciplines her class of three naughty teens, and gives the misbehaving trio light spanks, and French kisses their bungholes. Then the young students test their newfound knowledge on Mandy's rump. If you've got the stomach for extreme multiple gaping close-ups, this film's for you.

# SCHOOL OF HARD KNOCKS

(Burning Angel) **Starring: Joanna Angel, Juliette Black, Raine Mae, Shay Ryan, Zoe Voss.**

Burning Angel was the studio that started the porn parody trend, but now BA isn't making parodies these days, sticking instead to original, funny themes mixed with alt porn sex. We still love watching inked-up bitches getting dicked, and that is alt porn queen Joanna Angel's true specialty. Here, Joanna plays a school slut, a bad girl who's always in trouble. Her mean chemistry teacher orders her to do the impossible—turn lead into gold—and during the process everyone involved gets their holes stretched or their cherries popped. That's what you call sexual chemistry! *School of Hard Knocks* isn't exactly gold—too much dialogue at times, and a scene involving the nicely stacked Shay Ryan with a furry-headed mascot left us limp—but Joanna in two hot scenes kept us watching. It's worth checking out…once.

ANGEL PINK

SWALLOW YOUR PRIDE

## What's goin' down on the farm?

**Porn star Angel Pink, for one thing. She's sucking dick like a woman possessed. She loves the taste of cock, the salty flavor of pre-cum oozing onto her tongue, the smell of a man's balls slapping up against her face. But what's up with the farm setting? Does Angel get off on the smell of horseshit, too, or the feel of hay beneath her bare ass? "Not at all...in fact, I think fucking in this barn is completely revolting," Angel explains. "But I'm preparing for a new video series called *Real-Life Farmers' Daughters*, and I want to be authentic." Ah, a method actor! Let us guess, Angel—a traveling salesman stops by and you seduce him, right? "How did you know?" Angel asks. "Did you read the script?" Yes, it's fantastic, and leaves room for a sequel where you screw the pizza delivery guy! Now get on all fours in the hayloft, and let Mr. Salesman put his pork in your pen....**

# ZUZANA & KAIRA

"LEZ HIT THE SHOWER!"

**They can't wait another second! Zuzana and Kaira are so horny for each other they jump in the shower with their lingerie still on. Zuzana's nipples tingle so badly it's maddening. She wants Kaira to touch her breasts, suck her nipples...she aches for it. Kaira feels the same desire, only** lower. Her pussy throbs like it has a heartbeat all its own. She reaches down into her panties and isn't surprised to find it soaking wet, the fluid flowing from her hot and thick like syrup compared to the water spraying from the shower nozzle, her clit as stiff as an air valve on a bicycle tire. She brushes her pleasure nub with her fingertips and nearly cums. Hold out, girl! She wants her first orgasm to be on Zuzana's tongue, so she guides her friend's face down past her taught abs to her fuzzy pubic patch and into her deep, wet cleft. Go for it, ladies! Just make sure the manager of the gym doesn't catch you! And wear proper workout shoes next time...how can you do the treadmill in those heels?
